Action plan for the academic session (2021-2022)

Academic Aspects:

1. Implementation of a Continuous Internal Evaluation system through online assignments and class tests for all semester students will be introduced in the introductory phase.
2. The initiation of a Faculty Exchange Program across different departments with other colleges will be facilitated through an online mode.
3. A heightened frequency of departmental and interdisciplinary seminars and workshops will be orchestrated through online channels, fostering the intellectual development of both students and faculty.
4. The establishment of a more robust platform for collaborative and independent research endeavors among teachers is a priority.
5. Systematic efforts will be undertaken to create and fill all substantive teaching positions in accordance with the proposed plan.
6. The incorporation of additional academic and co-curricular activities for students will be introduced to enhance their overall educational experience.
7. Organizing career counseling programs aimed at fostering career development will be a focal point.
8. Creating an awareness campaign on health and hygiene among students will be actively pursued.
9. Implementation of Spoken English classes will be integrated into the college curriculum.

Infrastructural Aspects:

1. The endeavor to maintain an eco-friendly campus will be pursued through the strategic plantation of more trees and the enhancement of waste disposal mechanisms.
2. The ongoing renovation of all existing structures will be brought to completion.
3. The introduction of a Rainwater Harvesting unit is in the pipeline to promote sustainable water management.
4. The incorporation of facilities for Yoga, Karate, and Indoor games will be introduced to enrich the overall infrastructure and recreational offerings.
